Premium S.S. Products Fabricator

ABOUT TCKW

Tieh Chin Kung Metal Industry Co., Ltd. established in 1984, has been a dedicated stainless-steel products manufacturer for nearly 30 years. The corporate philosophy of TCKW always hews to high-quality, sincerity and complete services. Such has turned TCKW into a well-known industry in Taiwan.

We holds two production sites. One located in Longqi District, Tainan aims at outputting small-sized stainless-steel products, including umbrella stands, ashtrays, and placards, etc. Another sitting in Kuei Jen District, Tainan is mainly responsible for churning out relatively large-sized items, such as work tables, utility carts, solar streams, etc. Our company makes professional designing, producing, marketing, and repairing a coordinated process in Taiwan in order to provide our clients best products and service

We has always endeavored for perfection by purchasing the most advanced equipment and by keeping a highly skilled and experienced workforce, with one definite goal – to achieve the possible highest quality. In addition, we provides OEM and ODM services to meet customer's needs.

For over 15 years, we has been exporting products to over 20 countries with, winning international trust and support. Also, Wal-Mart is one of main clients.

In the future, we will continue to do business with its unwavering corporate philosophy. The next step for TCKW is to make an even better stainless-steel producer home and abroad.
